

BELFAIR WATER DISTRICT No. 1

Resolution No. **2025-01**

The undersigned hereby certify that at a meeting of the Board of Commissioners of BELFAIR WATER DISTRICT No. 1., (“the District”), a Washington municipal corporation pursuant to the Revised Code of Washington Chapter 57, situated in Mason County, duly held on the day and date subscribed below, the following resolution was duly adopted, and has been entered into the regular records of the District:

NOW THEREFORE, the Board of Commissioners, on motion and after due discussion and deliberation do hereby.

RESOLVED AS FOLLOWS:

Beginning January 1st, 2025, the Belfair Water District will Amend the former Resolution 2024-04 establishing Rates and Fees and replace with Resolution 2025-01 to increase the connection charges and rates due to inflation and the increased costs with all aspects of the upkeep and maintenance of the District. A rate and fee study was begun in 2023 and completed in early 2024 to assess the rates and fees of the District and is the basis for the increases herein. At this time the change to the Districts Rates and Fees will be 3.8% based on the CPI for the area. At the discretion of the board these rates and fees will be reviewed annually and adjusted in December for inflation based on the CPI and then motioned and voted on by the board at that time for any January 1st changes. Any additions to or deletions from the existing schedule of rates and fees or changes outside the inflationary increases will require a resolution of the board.

This Resolution 2025-01 now supersedes and amends the former fees and rates resolution 2024-04. Signed at Belfair Washington, this 10th day of December 2024
